Fort Leavenworth Jan. 19th - 37.

My Dear Doctor:

I wish that you would send me by mail a supply of fresh vaccine virus.

The Regulations direct me to apply to the Surgeon General, but I think that I may obtain it sooner and perhaps better from you - Recruits and a number of children require vaccination about this time. Mrs. Kearney presented the Colonel with another fine boy on the 17th inst.

I suppose that we will have a Medical Board at Saint Louis in the Spring. Compliments to Mrs. B. - give me the news when you write.
Dr. Beaumont. Truly yours,
Surgeon. U.S.A. C. J. Maccomb.
